PRICE LIST OF TREES and SHRUBS

OFFERED BY -

THE ROBERTS ROSE COMPANY

Englewood, Colo.

Phone South 8163

We are presenting this price list of Evergreens, Vines, Shrubs and Trees which we offer for sale at our Gardens at So. Emerson and E. Hampden Streets, Englewood. This list is a result of careful selection of plants that are hardy in the West and our customers may be assured that all of them will be entirely satisfactory if handled in a proper manner. This is supplementary to our Perennial catalog and special lists covering Peonies, Iris and Lilies. Any or all of these will be gladly sent upon receipt of a postal card request.

A visit to our Gardens will give you an adequate idea of our efforts to show the public the best in plants. Altho we do not do landscape gardening, we are glad to assist you in many ways with your gardening problems and the service is free. We have a list of Gardeners for your convenience.

EVERGREENS 25 1931 *

How to get to the GARDENS

of the

Roberts Rose Company

Go south on Broadway to Englewood. Turn east on Hampden, the main corner, to Emerson Street where you will see the large greenhouses. Or go south on South University to the road beyond Wellshire Park. Turn west to Emerson Street. Here you will see Lilies, Peonies, Iris, Phlox and all other hardy plants growing in immense variety. A visit is an education. Phone South 8163 or drive out.
